

# Future Faculty Career Exploration Program

September 27 – 30, 2023

A rigorous four-day program designed for African American, Latino American, and Native American (AALANA) scholars and artists to experience a “behind the scenes” glimpse into life as a faculty member at the Rochester Institute of Technology. You’ll spend time learning from and networking with RIT administration, faculty and students, practicing your interview skills and job-talk presentation – while exploring the research, teaching and service expectations of RIT faculty.

This competitive, nation-wide search welcomes scholars from all disciplines offered at RIT. We encourage you to explore our colleges and departments to see how your research or artistic endeavors best fit into RIT. If chosen to participate, RIT will cover your transportation, lodging and meals for the duration of the program.
